GLOBAL COLLIANCE: BRIDGING OPPORTUNITIES IN GLOBAL EDUCATION

India is rapidly emerging as a key player in the global education market, with an increasing number of students seeking study-abroad opportunities. Even for organizations with established global networks, partnering with Global Colliance provides the opportunity to deepen engagement, expand into untapped regions, and enhance cross-cultural exchanges.

We collaborate with businesses in the study-abroad industry to support students from diverse backgrounds, ranging from undergraduate to postgraduate levels and across diverse academic disciplines. Together, we can create even more pathways for students and strengthen the global network of study-abroad opportunities.

EXPANDING HORIZONS: OUR NATIONWIDE NETWORK

Global Colliance has strategically established offices in major cities across India, enabling us to offer personalized, region-specific support to both students and our partner consultancies.

Strategic Locations:

With offices in Ahmedabad, Vadodara, Surat, Rajkot, and Delhi, we are positioned in cities that are at the heart of India's educational ecosystem. This allows for greater reach and access to students who are interested in studying abroad.

Dedicated Local Support:

Our on-the-ground presence ensures tailored support, offering a personalized and efficient process for students' study-abroad journeys with expert guidance and care.

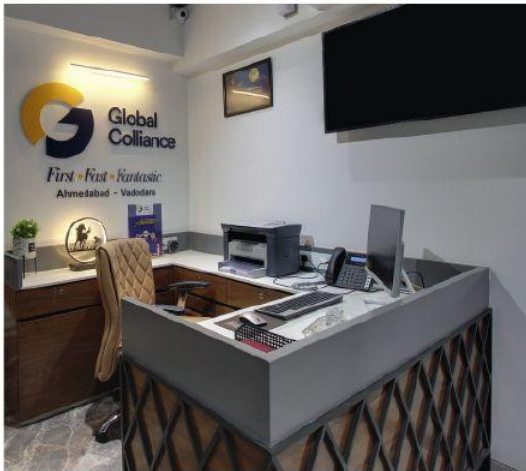

Collaborative Engagement:

Our dedicated teams are ready to engage with your consultancy to understand your unique needs and work together to develop initiatives that promote international education.

STATE-OF-THE-ART INFRASTRUCTURE FOR SEAMLESS COLLABORATION

We believe in leveraging advanced technology to streamline the study-abroad process and ensure the best experience for both consultants and students.

ADVANCED TECHNOLOGY:

Our offices are equipped with the latest tools and systems to facilitate smooth communication and offer real-time access to global educational opportunities.

DEDICATED CONSULTATION SPACES:

We provide comfortable and private spaces for one-on-one consultations, ensuring students receive the attention and guidance they deserve.

EDUCATIONAL RESOURCES:

Our offices house a wealth of materials, from brochures to detailed guides that can help students make informed choices about their academic future. These resources are available for your consultancy's students as well, helping them take the next step toward studying abroad.

LEADERSHIP TEAM: GUIDING SUCCESS

Our leadership is characterized by extensive experience and a commitment to guiding students toward their academic goals. With a focus on innovation, professionalism, and ethical conduct, our team is dedicated to providing exceptional support in the ever-evolving landscape of international education.

Brijesh Shah (Co-Founder & Director)

Global Colliance was founded in 2008 to bridge the gap in professional support for students aspiring to study abroad. Our experienced team of counselors has successfully helped students gain admission to top institutions globally.

Jay Ruparel (Co-Founder & Director)

As India rises as a major economic power, Global Colliance leads the way in the international education sector. We provide students with in-depth knowledge about courses at esteemed institutions and foster cultural exchanges.

Mary Hiwale (Partner & Director)

We believe in equipping students with not only academic skills but also essential life values. Our holistic preparation has empowered many students to thrive at prestigious universities across the world
